

NZS Capital, LLC is a Denver, Colorado based investment company focused on adaptable, innovative businesses that work toward maximizing non-zero-sum (NZS, or win-win) outcomes for their investors, customers, employees, society, and the global environment. Our investing process is defined in the whitepaper *Complexity Investing* and its appendix *Non-zero Outcomes in the Information Age*. We partner with institutions and other investors to craft portfolios that balance Resilience with Optionality. Our portfolios are designed to capture the analog to digital transformation of the global economy while avoiding the risks of disruption. NZS Capital, LLC was co-founded by Brinton Johns and Brad Slingerlend in 2019, who began investing together in 2003 at Janus Henderson Investors.
